## Arrival/Dismissal

Thank you for following protocols for morning and afternoon parking lot routines.

- Cars must pull all the way up to the next available spot closest to Entry 1.
- Children should exit on the passenger side as soon as the vehicle is stopped.
- Parents do not exit the vehicle. If your child isn't able to exit independently, park in the angled spots next to the parish office building and walk the student to Entry 2.
- The safety lane is used for students to walk to either Entry 1 or 2.
- At no time may a vehicle exit the line and move around another car. Please follow the traffic pattern until exiting the SVS parking lot.
- Cars waiting on students late to the parking lot at dismissal must pull up and park in the upper lot and wait to exit until all other cars have exited.
- At no time is a vehicle to back out of the parking lot or from the dismissal pattern. Once cars begin to dismiss from the parking lot there is no foot traffic until walker group is dismissed
