This includes the SVS Variety Show which will be on Friday, 3/20.

From the Nurse

Students should not come to school if they've experienced any of the following within the past 24 hours:

Fever, Vomiting, Diarrhea
Students must be fever-free for 24 hours without the use of fever-reducing medications (such as acetaminophen or ibuprofen) before returning to school.

We encourage families to help support healthy habits by:

- Sending your child to school each day with a **clean, refillable water bottle**
- Reminding your child to **wash their hands frequently**, especially before eating and after using the restroom

Thank you for your continued partnership keeping our school a healthy place to learn. Please feel free to reach out to the health office if you have any questions or concerns.
