## Program Effectiveness Survey

As part of our accreditation process and in preparation for our Continuous Improvement Journey (CIJ) visit in the fall, we are asking members of our school community to complete a survey.

Catholic Schools Week is the perfect time to reflect on our mission as we work to improve our programming and grow in our commitment to Catholic education.

You are valued and important! Thank you for taking time to provide feedback that facilitates our strategic planning and helps us better serve the SVS community.
