## Gratitude and Love

The SVS faculty and staff extends abundant thanks to the parents in our school community. The outpouring of generosity through service, time, and acts of kindness during Teacher Appreciation Week was overwhelming! We could not be more blessed as a school family. We value you and your children and thank you for joining us in carrying out our mission:

*To know and live our faith  
To lead and serve by example  
To achieve success as life-long learners*
