Inclement Weather

It's never too early to prepare for weather that impacts the school day.

- Students will go outside for recess as long as the wind chill is not below 25 degrees. Coats and shoes should be appropriate for outdoor weather and play.
- SVS typically follows the decision of NLCS, however, there are times when that might not be the case.
- Any decision regarding SVS will be communicated through PowerSchool (via email and text), posted on the school website, and on the WBIW website.
- Last month a handout went home in Monday folders with instructions for how to receive text messages in addition to email.
- In the event of a 2hr. delay, SVS doors open and students may enter the building at 9:40 am. Breakfast is not served and EarlyCare is not available.
- The decision for eLearning will be made based on the circumstances. There is a calendar in place with built-in snow and make-up days.
- When school is closed, all extracurricular activities are cancelled.

Thanksgiving Baskets

Each student has been given one item to bring in for our Thanksgiving Baskets. Non-perishable items should be turned in by Friday, Nov. 18th. Perishable items may be brought in on Monday, November 21st.

Thank you for your generous support! If you or somebody you know would benefit from this outreach, please contact the school office. Requests are confidential.

The SVDP Giving Tree

Names must be submitted this week for school families who could use support for Christmas.

Families will be contacted to provide age, size, and needs of the children in the family. Please don't hesitate to contact the school office or Mrs. Underwood directly to be added to the list.

All are welcome!
