Knightly News

Monday, November 16th

923 18th St. Bedford IN 47421 svsbedford.org

Veterans Day Celebration

Thank you to all our guests who were able to attend the assembly.

A very special thank you to Mary Beth McFann and Dale Koontz. Mary Beth's singing of the National Anthem added a profound element to our event and Dale was gracious enough to share details about his experience in the Navy.

We are proud to acknowledge the brave men and women who serve and have served our country.

Thanksgiving Baskets

SVS is happy to provide the essentials for a traditional Thanksgiving meal for families in our school community. Please contact Mrs. Underwood if your family is interested in this outreach.

COATS FOR KIDS

Thanks to the generosity of our local Knights of Columbus chapter, winter coats, hats, and gloves are available to our families for free.

Please contact Mrs. Underwood or the office if you are interested!

The Giving Tree

The Giving Tree is an outreach program sponsored by SVDP parish. Families fill out a form with information to help provide Christmas gifts for their children.

Please don't hesitate to reach out to Mrs. Underwood to request a form. School families do not need to be Catholic or members of the parish to participate.

All requests are confidential.

Inclement Weather

- Students will go outside for recess if the wind chill is not below 25 degrees.
- Students in grade PK-5 may not wear shorts from Nov. 1 thru April 1.
- SVS typically follows the decision of NLCS, however, there are times when that might not be the case for weather related delays and cancellations.
- Any decision regarding SVS will be communicated through PowerSchool (email and text), posted on the school website, and on the WBIW website.
- In the event of a 2hr. delay, SVS doors open and students may enter the building at 9:40 am. Breakfast is not served and EarlyCare is not available.
- The decision for eLearning will be made based on the circumstances. The school calendar indicates built-in snow and make-up days.
- All extracurricular activities are cancelled when school is closed.

Lego League Robotics Tournament

The Followers did not advance to Semi-State next month but their accomplishments are many. They received high praise for Gracious Professionalism and Cooperation.

While the competitive season is over, the LEGO League year is only half finished. There is one more team event and then 3rd thru 5th grades get their chance to participate after Christmas break.

The older students have the opportunity to work as mentors for the elementary students during their sessions, which is super cool!

Thank you to all the participants for their good attitude, team spirit, and hard work!

School Lunch This Week

Please note that the lunch menu for Wednesday and Friday will be traded. Students will enjoy the traditional Thanksgiving meal on Friday and pulled chicken barbeque on Wednesday.

Thank you for your understanding!

LCCF Education Grants

Congratulations to Mrs. Marci Sullivan on receiving a $300 grant form the Lawrence County Community Foundation.

Mrs. Sullivan submitted a proposal "*Growing Minds, Growing Gardens*" for her students to learn about plant growth by creating raised planters for a variety of seed packets.

This is an opportunity for students to get hands-on experience despite the lack of green space on our campus. Yay, Mrs. Sullivan!

SVS Q1 Parent Survey

We value the partnership between school and home! If you haven't already done so, please take few minutes to provide feedback through our Quarter 1 Parent Survey using the link provided.

November Birthdays

1	George McNichols
5	Cleopatra Curren
	Sawyer Staggs
