Taking Charge of Your Health. Setting Goals.

### 8th Grade HEALTH

Dealing with loss. Emotional Health.

# Thatcher Times

**6th Math:** We will continue our study of the coordinate plane.

**7th Math:** We will be working on percent problems.

**Pre-Algebra:** We will be studying functions.

**Algebra:** We will start working on polynomials and exponents.

**6th Science:** We will be focusing on energy in ecosystems and have a test on Thursday. Students should be ready to start their Science Fair experiments.

**8th Science:** We will be studying chemical reactions. Students should be ready to start their Science Fair experiments.

## Homeroom:

Our Shamrockin' Auction basket theme for this year is a baking basket. You can send in baking pans/sheets, measuring cups/spoons, baking mixes, etc. Please send in a favorite family recipe or two for our basket. Students will be copying these onto matching recipe cards so photocopies or plain paper is fine.
