6th Grade Nutrition

Nurse West

- *This week:* We will finish up our discussion of fruits. The students will take a small quiz over fruits.
- *Next week:* As a wrap up to the fruit discussion I have asked each child to look either at the store or in their kitchen for 2 fruits and to write down what country they came from. They have also been asked to bring in at least 1 cup of a prepared fruit for a fruit salad that we will make in class next week.
