Reminders

- The QR code on our homework sheet has our classroom Amazon Wishlist. The students are really enjoying our busy bins/STEM bins, but it would be nice to be able to switch some of them out for newer items. Thank you to the **Simon and Cox families** for your donations!!
- If your child has a planned absence coming up, please let us know ahead of time if possible.
- We take the IREAD test next week. Students will perform better if they are well-rested, well-fed, and feel supported.
- Our IU Auction Basket is coming along. This will be the final week to send in items for our basket, and there are still a few students who have not brought an item in. Please see the QR code to the left for ideas for our basket!
