Reminders

- Students should be reading AR books within their reading level range. You can find the range written inside their Daily Folder.
- We started our third and final round of NWEA last week. Students took the math portion, and the results were AMAZING! Once we take the other two tests, I will send home reports.
- I'm beyond proud of the progress the class as a whole and each individual student has made this school year. I'm forever grateful that this will be my first SVS 2nd grade class. Thank you for being so supportive and kind as I navigated through this new experience. It's been a great year!
