Reminders

- Students have math homework Tuesday and Wednesday of this week. Using the parent letter coming home at the beginning of each new math lesson will give you guidance on how to help your child if it is needed. Lessons typically last for 4-5 days and cover several skills.
- Please take a moment to check your child's AR goal and Edmentum Trophy tracking papers in their Daily Folder. We will update it at the beginning of each week to reflect their current percentages and trophies earned.
- You can use this site to identify the AR level of any book your child is reading:
<https://www.arbookfind.com/>
- We are meeting with our sixth grade buddies for the first time this week!
- We are working hard on following directions in second grade, so if you see a paper come home with lots of circles and highlighting it means that your child was asked to make corrections.
