The Pangburn Progress

To all Parents,

Hello. I look forward to continuing to work together to give our students the best education possible. I want us to work together as a team, so you can contact me anytime through Jupiter, or at my email pangburnr@svsbedford.org I hope that people who need help will reach out.

The 8th grade this past week was wonderful. They are now going to finish their Unit covering the Past and the Present in English. They are also beginning their Unit over the Revolutionary Age of Jefferson in History class.

7th grade is achieving all they set out to do. They will now begin exploring Middle Asia in Social Studies. In English they are going to finish covering their Unit over Poetry.

6th grade has been absolutely wonderful. In English Language Arts, the students are going to finish examining how different peoples perspectives shape their ideas. In Social Studies they are beginning their Unit over Brazil.
