Announcements:

Thanks to everyone who sent in contributions for the Thanksgiving Baskets this year!

No Science Olympiad this week.

Students should have earbuds to use in class daily.

The Pangburn Progress

To all Parents,

Hello. I look forward to continuing to work together to give our students the best education possible. I want us to work together as a team, so you can contact me anytime through Jupiter, or at my email pangburnr@svsbedford.org I hope that people who need help will reach out.

The Journalism Club has made great progress. They have conducted interviews, and have also made a short message to their teachers, about homework on the weekends.

<https://www.youtube.com/watch?v=IEW0o1sAZSM>

The 8th grade this past week was wonderful. They are now expanding into ideas of impossible situations. They are also working on their Unit over the Revolutionary Age of Jefferson in History class.

7th grade is achieving all they set out to do. They will now begin exploring South Asia in Social Studies. In English they are working on their Unit examining Social impact.

6th grade has been absolutely wonderful. In English Language Arts, the students are beginning to explore the concepts of ethical issues. In Social Studies they are finishing their Unit over Brazil, they will have a test Friday.

THE SPENCER SENTINEL

Thatcher Times

Math

Freckle: www.student.freckle.com

6th: We will begin a unit on algebraic expressions.

7th: We will further our understanding of solving equations.

PreAlgebra: We will discuss writing equations with the variable on both sides to solve word problems and then look at equations with special solutions.

Algebra: We will be learning different ways to solve systems of linear equations.

Science:

6th: We will be studying potential and kinetic energy.

7th and 8th: We will be working on balancing chemical equations.

Homeroom:

Our classroom is in need of boxes of tissues.
