The Pangburn Progress

To all Parents,

Hello. I look forward to continuing to work together to give our students the best education possible. I want us to work together as a team, so you can contact me anytime through Jupiter, or at my email pangburnr@svsbedford.org I hope that people who need help will reach out.

8th grade is doing great, exploring the French and Indian War, as well as continuing to solve the mystery genre in English. They did wonderful on the *Graveyard Book* tests, and they will soon have their first research project. They will write about "Ten Days in A Mad House."

7th grade is achieving all they set out to do. They are doing excellent in both Social Studies and English. They are working on their social studies project over Chinese History. In English they are reading the *Jungle Book* and are preparing for their first unit project.

6th grade has been absolutely wonderful. They are an exciting and energetic group of learners, who master difficult ideas with ease. This week we will be exploring our first large reading assignment in English. The students are reading *The Call of The Wild.* " In Social Studies they are preparing for their research assignment over a key American Figure.

THE SPENCER SENTINEL

THIS WEEK IN PE WE WILL CONTINUE LEARNING ABOUT DANCE AND RHYTHM MOVEMENTS.
